Meet Stephanie

GET TO KNOW THE WOMAN BEHIND THE LENS

I'm Stephanie, the owner & principal photographer of Stephanie Nolt Photography. I love being able to share in the love of two individuals and feel blessed to get to work with such wonderful people each day!

Based out of Philadelphia, PA, I've been shooting weddings for over 15 years and have been sent as far as Italy and Jamaica for photographic coverage.

In my experience, each couple is as unique as their wedding day. That is why I work closely together with my clients to plan the perfect timeline.

It is my goal to make your photography experience fun and memorable; all while making sure that you get the images you need without taking away from your day. My clients are often astounded by my ability to capture so many details without ever being in the way!

 @SNfoto

After graduating as Valedictorian from Antonelli Institute For Professional Photography in 2004, I started documenting weddings, events and portraits with an emphasis on incorporating fashion and commercial styles into my work.

In 2005, I started my own business and have never looked back!

When I'm not behind the camera, you can find me whipping up something in the kitchen or on an adventure with my best friend, Ilya. We take advantage of our time together to go to visit family, walk with our dogs or remodel a room in the house. There's never a dull moment when we're together and the laughs never stop! We make a great team and he is also a valuable consultant to the studio.

Now that you know my story, are you ready for me to capture yours?

"DO WHAT YOU LOVE & IT WILL LOVE YOU BACK."

A bride and groom are shown in profile, kissing. The bride is on the left, wearing a white wedding dress and a light-colored fur stole. Her hair is styled in curly updos. The groom is on the right, wearing a white tuxedo jacket with a black bow tie and a white boutonniere. They are standing in front of a sunset background with orange and red clouds. A white text box is overlaid on the left side of the image.

Frequently Asked Questions

ANSWERS TO ALL OF YOUR PHOTO-RELATED QUESTIONS

Q: WHAT MAKES YOUR WORK DIFFERENT FROM OTHER PHOTOGRAPHERS' WORK?

A: Not only do we work with the available light around us, but we specialize in off-camera flash photography. This is why our images look so dimensional. Every image we present to you also goes through our signature post editing process to ensure that you always receive the vibrant look that we are known for. Clients often boast that we make photography fun and exciting and are able to capture all of your special moments without getting in your way!

Q: WILL WE GET THE PRINT RELEASE TO OUR PHOTOS AFTER OUR WEDDING?

A: Yes! Upon receiving your images, you will also get a copyright release for printing.

Q: HOW MANY PHOTOGRAPHERS WILL THERE BE AT OUR WEDDING?

A: Most of our wedding collections come with two photographers, although you can always add more coverage or save money by only having one photographer.

Q: WILL WE GET FEATURED IN A MAGAZINE OR BLOG?

A: Although many of our sessions do get featured, this is not something that is guaranteed. Most publishers are interested in colorful, uniquely designed weddings.

Q: DO YOU PHOTOGRAPH ELOPEMENTS?

A: Of course! We have photographed weddings on every day of the week! Let us know the number of hours you have set aside for photography and we will customize a collection for your weekday wedding or elopements.

Q: DO YOU HAVE A LIST OF PREFERRED VENDORS TO USE?

A: We sure do! From wedding coordinators and videographers to bands and DJs, we have worked with some of the best companies in the industry and would be happy to share their information with you!

Q: WE'RE HAVING A DESTINATION WEDDING. DO YOU TRAVEL?

A: Yes! We love destination weddings and have been lucky enough to travel all over the world shooting weddings. Send us more information on your travel plans, and we will create a custom wedding collection to suit your needs.

Have Another Question?

SEND US A MESSAGE, WE'RE HAPPY TO HELP!

Q: DO I HAVE TO ORDER PRINTS THROUGH YOU?

A: No. Although the difference in quality can be huge when it comes to ordering through a professional lab, it is not required. You can print on your own or we can provide professionally retouched and printed photographs upon your request.

Q: WHAT EQUIPMENT DO YOU USE?

A: I personally use professional Nikon DSLR equipment. I carry 2 camera bodies, a Nikon D4 and a Nikon D3, 6 lenses: a 17-35 mm, a 105 mm, a 24-70 mm, a 20mm, 50 mm and a 70-200 mm, 4 Nikon Speedlight Flashes, 6 Pocket Wizard Remote Transceivers, Photogenic Strobes for room lighting and a lot of other miscellaneous tools of the trade. All of our Associate Photographers are required to use top-of-the-line professional photography equipment as well and are expected to bring backup gear.

Q: ARE THE COUPLES ON YOUR SITE MODELS?

A: While we are lucky enough to work with gorgeous couples, the images shown on our site and blog are of regular clients. It is our job to bring out the best in everyone!

Q: HOW DO WE RESERVE OUR WEDDING DATE?

A: A signed contract and deposit are required to book your wedding day with us. Depending on the collection, we will arrange 2-6 payments for your convenience. One week prior to your wedding, the full balance is due.

Wedding Day Tips

Gather all your accessories before the day starts so we can photograph them quickly! This makes the getting-ready portion of the day go by much more smoothly, and it allows us to spend more time focusing on the spontaneous moments when everyone is together.

Here is a list to jog some ideas: rings, jewelry, hair pieces, flowers, shoes, socks, cuff links, letters, pictures, gifts, cultural items, invitations, programs, printed pieces and any unique items you've put thought into!

As the bride, be the first one to get your hair and makeup done. No matter what anyone else says, even if it's the the hair and makeup artis. Just trust me on this. You will have extra time for any touch-ups or changes and once you are finished, you can relax and enjoy the excitement around you. This will also guarantee that you will be ready when it is time to get you into your gown and to get you started with your bridal photos.

Keep snacks and water on hand for you, your new spouse and your bridal party. It can be a long day and everyone needs to stay fed and hydrated!

PRO TIPS TO LIVE BY

With well over 300 weddings under my belt, I have learned a lot of tricks along the way!

1. Double-sided tape works wonders to hold up dresses, straps, garters and slingback shoes.
2. Extra straight pins or safety pins come in handy to mend broken boutonnieres or bouquets.
3. Sewing kits are a necessity when the groom's button falls off of his tux before the ceremony.
 4. Bobby pins are a man-made miracle! Keep a few handy for stray hairs and quick fixes.
 5. Scissors. They are almost always needed for a thread, tag, flower or some other DIY project.
6. Most importantly, don't sweat the small stuff! No one will know if anything is missing except for you!

INSIDER TIP * THINK ABOUT GETTING A WOODEN HANGER FOR YOUR DRESS. THEY PHOTOGRAPH WELL AND ARE GREAT KEEPSAKES FOR YEARS TO COME.

REMEMBER TO RELAX AND ENJOY THE DAY!
